

# El Cerrito Art Association Membership 2019

Our membership is based on a calendar year. Benefits include our email newsletter, Mini-Art Show competition at program meetings, Annual Art Show Early Bird entry, 4<sup>th</sup> of July booth opportunity, plus access to ECAA exhibit venues.

The Family Membership category has been discontinued. It gave greater benefits to some at the expense of single members. Begun when we mailed only one printed newsletter and directory per address, we now use email. This simplifies a lot of our work!
